capability of the Warsaw Pact nations is to employ tactical nuclear and chemical weapons against NATO. 25X1X1

- H. DIA/DI will establish a new Applications Branch in the Soviet/Warsaw Pact Area Division. Two of the branch's sections, the Military Strategy Section and [REDACTED]

25X1X1 [REDACTED]

25X1D3a [REDACTED]

to develop and produce all-source in-

telligence directly related to this KIQ. The branch will also establish and maintain an all-source data

25X1X1

base [REDACTED] and will support the in-

25X1X1

teragency [REDACTED] advisory group under the Scientific Intelligence Committee of USIB. In addition, a high level symposium will be hosted by DIA which will provide a forum for dialogue on the opinions of recognized authorities, both government and non-government, in the area of Soviet military strategy and doctrine, particularly in relation to nuclear employment and options.

B. KIQ-14 Strategy Report

Paragraph II.C. - After "DIA" add "/DC."

Add the following as new paragraphs and reletter subsequent paragraphs:

- 2 -
